## RUBBERMAID COMMERCIAL PRODUCTS:

Rubbermaid Commercial Products is a manufacturer of innovative, solution-based products for commercial and institutional markets worldwide. Since 1968, RCP has pioneered technologies and system solutions in the categories of sanitary maintenance, waste handling, material transport, washroom hygiene, and safety products.

Nowadays, Rubbermaid Commercial Products is a leader of repute in the hospitality industry. RCP, with its intelligent, innovative solutions, is your preferred partner for the maintenance and development of your facility. From rooms to hotel corridors, kitchens or reception areas, we will be able to provide you with the product best suited to your quality standards.

## OUR COMMITMENT:

Our promise is to help you transform your hotel or resort from a place to stay into a preferred destination.

### MAINTAINING A CLEAN AND FRESH ENVIRONMENT

For most hotels and resorts, housekeeping is the largest department and plays the most vital role in maintaining a clean environment. A strong housekeeping staff is one which is equipped with the latest tools and training methods to ensure guest health, safety, and comfort is a key to success. Rubbermaid Commercial Products provides a full range of innovative cleaning solutions to support the special needs of your staff.

### INCREASING PRODUCTIVITY

The primary motive of Rubbermaid Commercial Products is to help housekeeping professionals to work more efficiently by completing tasks more productively and discreetly. From high-capacity carts that hold more to reduce restocking trips, to our Pulse hard floor cleaning system with onboard fluid reservoir to clean an entire floor, no other line of cleaning supplies will elevate and empower your team like ours.

### ELEVATING YOUR PROFESSIONAL PRESENCE

Overnight, the power of social media and instant access to reviews and feedback has put consumers in the driver's seat. From the smallest detail of a handwritten note to the grand gesture of a free upgrade, sustaining a professional presence has lingering effects long after guests have checked out. RCP will enhance your image by allowing staff to blend into the environment with discreet colours, reduced noise, and concealed supplies. This effort will demonstrate an uncompromising commitment to guest satisfaction.
