SKIN CARE

With over 20 years of skin care experience, you can trust Rubbermaid Skin Care Systems to provide the same commitment and innovation to the personal care of your staff as we give to the care of your facilities. With our Skin Care Range, we offer a variety of solutions to fit your individual needs and problems that arise out of poor hand washing habits.

A SMARTER LOOK FOR YOUR WASHROOM with a new coordinated range

Welcome to a whole new washroom experience with our new coordinated family range.

Our latest ranges, Surface Care, Skin Care, and Air Care, are designed especially with you in mind, solving all your problems, and offering the perfect solution tailored to your individual washroom needs.

These beautifully designed, streamlined ranges guarantee the highest hygienic standards and promote a positive image of your business, reflecting passionate care and professionalism to all visitors to your washroom.

Our products are not only effective, durable and reliable, but always maintain our strong commitment to the environment, while combining powerful hygiene formulas with cost-efficient solutions.

FIVE GOOD REASONS TO choose our systems:

- 1) Touch-free automated systems and antimicrobial technology makes Rubbermaid solutions the safest ones.
- 2) A complete offer of different formulations with luxurious and high innovative skin care components.
- 3) Proven low cost-in-use.
- 4) Flexible and easy to use systems, for hassle-free service.
- 5) A real skin care experience that will leave your customers completely satisfied.

AutoFoam™

Your Problem: Unattractive soap dispensers containing weak soap that leaves hands ineffectively cleaned, and also feeling dry and uncomfortable.

Our Solution: AutoFoam™ provides the healthiest and most hygienic way to wash your hands, with the most reliable touch-free system, that reduces the risk of cross-contamination. Available in 1,100ml format.

Features & Benefits

CUSTOMER SATISFACTION

- Highly concentrated soaps and sanitisers in foam, with luxurious lather and enriching Signature Moisturising Complex that refreshes and nourishes hands, whilst improving the image of your washrooms.

EFFICIENCY

- Proven low cost-in-use, more doses mean fewer refills and lower costs.

DESIGN

- Designed for office buildings, airports, and entertainment facilities – anywhere that superior performance, style and quality can help you meet your business goals. Available in different colour options for a coordinated style that enhance any washroom’s decor.

OneShot®

Your Problem: A manual through-the counter system, which often clogs or leaks which leads to the cross-contamination of harmful germs.

Our Solution: OneShot's elegant liquid soap dispensers provide a premium through-the-counter system to wash your hands, with a smart touch-free system that adds style and class to any washroom and prevents the spread of germs.

Features & Benefits

CUSTOMER SATISFACTION

- Improves hygiene standards with premium hypo-allergenic formulations of highly concentrated liquid soaps, rich and luxurious with moisturising ingredients and a light floral or fresh fruity scent, available in 1,600 and 800ml.

EFFICIENCY

- Elegant design with advanced Smart Sensor™ technology detects hands every time to deliver the perfect amount of soap, reducing soap usage and significantly reduces cost.

DESIGN

- Engineered to provide trouble-free operation, preventing leaking and clogging, each refill comes with a new pump and delivery tube.

Choose your refill:

Description

Moisturising Hand Cleanser refill

Lotion Hand Cleanser refill

Install and go:

All components are included and installation takes less than 10 minutes

Your Problem: Undependable and flimsy soap dispensers containing ineffective soap in a washroom that requires reliability and durability.

Our Solution: FLeX™ offers a perfect balance of quality, cost, and low environmental impact, featuring foam or liquid refills in one manual dispenser.

Features & Benefits

CUSTOMER SATISFACTION

- Highly concentrated soaps, sanitisers, and lotions enriched with Rubbermaid Signature Moisturising Complex with shea butter, vitamin E and panthenol to deliver a highly rich, dense lather that leaves hands clean, healthy, and moisturised.

EFFICIENCY

- Highest yield of hand washes, up to 3,250 per refill with the broadest selections of formulations including hand washes, shampoos, sanitisers and cream lotion. 2 sizes to meet any capacity (500ml - 1,300ml). Combining transitional styling to suit any décor with real durability, resilience and reliability.

DESIGN

- Superior styling with different colour options. Easy to use and ergonomic systems that accept Rubbermaid hygienically sealed refills to eliminate potential contamination. Designed for schools, universities, locker rooms, showers, restaurants and office buildings – anywhere that effective performance, durability, and quality can help you meet your business goals.

Green Seal applies to specific refills only; see below.
